Flip side:

Whether before or after birth, the loss of a child is one of life's most difficult experiences. It affects and changes the entire family. The profound loss is felt even when one's community doesn't recognize it, as when an adoption isn't completed, a relationship is lost forever, a pregnancy is terminated, or a fertility treatment doesn't work. And there is no time limit on grief.

From Pieces to Peace is a service of hope and healing. Together, as a community, we pronounce the reality of our loss. We mourn our irreplaceable children. Then we look into the future knowing that we'll never forget, but we can heal.
